

OverDrive eBooks on Kindle Fire

What you need:

- A valid Allen Park library card & PIN number
- An Amazon.com username & password
- Wi-Fi access or a computer with Internet & a USB cable

Downloading your eBook:

- Enable Wi-Fi on your Kindle Fire & go to <http://tln.lib.overdrive.com> in web browser.
- Sign in with your Allen Park library card and PIN number.
- Find a title you want to borrow, make sure it is available in Kindle format. Click on the title & select **Borrow**. If the book is currently checked out, you can place a hold on it and be notified by email when it becomes available for download.
- Click **Download** & select **Kindle Book**.
- Click **Confirm & Download**.
- You will then be directed to the Amazon site where you will need to log in with your username & password. Your book will show up on the page called **Get Your Digital Library Loan**. Click **Get Library Book** on the right side of the page.
- The final screen will display that your book has been delivered to your Kindle through a Wi-Fi connection, or you may be required to transfer the title with a USB cable.
- The eBook should now be on your device to read. If it does not appear on the Home screen, select the **Sync** option to bring it up. Find **Sync** by clicking on the settings icon at the top of the screen.
- The book will automatically be returned on the expiration date, or you can go to the **Manage Your Kindle** page on the Amazon site & select **Return this Book** in the action bar next to your title.
