Beverly made a motion to accept $102.11 in unanticipated income, Amy 2nds the motion, all were in favor.

**TREASURER’S REPORT:** Line 740 (Technical equipment and software) is pretty high for this time of year. That was due to some of the AV equipment? Much of the software is paid up-front as well. Beth will check to make sure nothing was mis-categorized. Line 390 (other professional services) is also high. We had an alarm inspection, and electrical work for the new AV system. These costs should not be recurring. Nothing else was noted on the treasurer’s report.

**DIRECTOR’S REPORT:** Furniture was delivered today. The laminate countertop was the wrong size again! They can use this countertop to finish other bookcases. The right size will be delivered soon. Groups using the library when building is closed- must learn how to close the doors properly. This has been an issue recently. Judy will also contact the company that was supposed to have fixed the door last time; unfortunately the door isn’t any easier to close even after they worked on it.

**CONTINUING BUSINESS:**

Approve updated Meeting Room Policy- Amy said that all the corrections were in the document. Amy makes a notion to adopt, Beverly 2nds, all were in favor.

By-Laws- Judy updated the by-laws to reflect suggested changes, but we did not vote on it last time. Beverly would like to make a few additional changes. She will do this and send them out to the other trustees prior to our next meeting. We will need to vote on this in our May meeting. Internet Use Policy- was not attached to Judy’s email. It was last updated in 2012. Judy will make hard copies for everyone.
