Property Walk 9:00 am, Saturday May 9, 2015

Location: Tax Map R7-34

New Hampton, NH

Present: Daniel Moore (Chair), Bob Pollock, Pat Schlesinger

Snake River Conservation Area- three town owned properties (Baird, Bergeron, Spear) along the southern shore of the Snake River between Lakes Winona and Waukewan.

- Because of the interest in designing and building an educational nature, this walk focused upon the Baird property which is bounded by the Snake River to NE, from the intersection Waukewan Rd and the rail tracks.
- The property has a rolling elevations with several nobs that look north to the Snake River, with wetlands in the low areas between the nobs and a vernal pool.
