

**Town of New Hampton
Conservation Commission
Minutes**

**Site Walk of Glines Memorial Forest, Tax Map R3, Lot 3
Backland off of Main Street abutting the Sanbornton town line**

Friday, May 1, 2015 at 9:00 am

The Commission met at the town office and determine the best location to park to gain access to the lot which is backland off of Main Street abutting the Sanbornton town line.

Present: Daniel Moore (Chair), Bob Pollack, Barry Rolfe, Pat Schlesinger
Glines Memorial Forest- gifted property to the Town by Kathleen Glines Dole. The deed specifies that the property is to be managed as a natural resource in accordance with best practices for a multiple use forest with a focus on passive recreational activities.

- Currently the lot is generally described and bounded with a narrative that refers to lands held by abutting land holders, making it difficult to understand the exact boundaries.
- The land lock nature of the property with no given access or right of way.

Respectfully Submitted:
Daniel Moore, Scribe
