

## Somers Library Information Display Policy

The Somers Library Board has approved the following Guidelines for displaying and posting local community and countywide information:

- Information must be approved by the library director or their designee before being posted in the front foyer display area.
- Information posted must be no larger than 8.5” x 11” in paper size.
- Publicity announcements for an event must be submitted with a specific date and will be discarded immediately after the event has taken place.
- Seasonal information without a specific date will be discarded in a timely manner.
- No advertisements or other “for-profit/for-sale” information may be displayed.
- No job listings or job seeking information may be displayed.
